It works from the inside to repair and nourish the skin, refine pores, improve skin hyperpigmentation, lift melasma, diminish fine lines and wrinkles, improving acne and acne marks.

The Perfect Peel® blends Glutathione, Kojic Acid, TCA, Retinoic Acid, Salicylic Acid, Phenol, L-Ascorbic Acid with minerals and vitamins, resulting in skin that is brighter and tighter.

To follow The Perfect Peel, you are given an individual home kit. This pack contains Retinol wipes and a Vitamin C moisturiser to assist the peeling process and enhance your results.
